

CFR Chemicals Inc., is a privately owned Canadian Incorporated under the laws of Alberta, operating only in Canada (AB, BC and SK) with its head office in Calgary, Alberta. It has fiscal year end of August 31, 2023. Business number is 893298331.

CFR operates with field sales and service representatives, a plant, storage and rail facility in Kuusamo, Alberta, storage and rail facility in Grand Prairie, Alberta and head office in Calgary, Alberta. Depending on seasonality, CFR's staff ranges from 35-55 employees.

CFR Chemicals primary focus is supplying both commodity and specialty chemicals to the energy, industrial manufacturing and resource industries. We provide blending, rental and storage services along with distribution and transloading capabilities.

CFR Chemicals imports chemicals (Methanol, Glycol, Xylene, Naphtha) from the United States. The majority of the goods purchased are received via rail. CFR also purchases similar chemicals from Canadian distributors.

The entities that CFR Chemicals purchase from tend to be public companies that have strict ESG / human rights policies and are highly reputable.

We do not currently have official policies regarding Forced and child labour, but we are developing such. Our strict policy is to only employ those who are of legal age to work, and able to work legally and we comply with all labour standards and policies regarding working hours and working conditions.

The greatest risk of potential breaches of forced and child labour is for production outside North America, thus we are working with our major suppliers to gain an understanding of their policies and procedures regarding forced and child labour, which will form part of our official policies, procedures and due diligence and our training of our employees.

In accordance with the requirements of the Act, and in particular section 11 thereof, I attest that I have reviewed the information contained in the report for the entity or entities listed above. Based on my knowledge, and having exercised reasonable diligence, I attest that the information in the report is true, accurate and complete in all material respects for the purposes of the Act, for the reporting year listed above.
