Delta Elevator Co Ltd responses to the required Bill S-211 Forced Labour and Child Labour in Supply Chains Act.

Question #

2. Delta Elevator strives to use suppliers from North America. Delta also manufactures many of the components to reduce the need to purchase from foreign suppliers. When dealing with suppliers outside North America, Delta has an approved supplier process, that does not specifically address forced or child labour but ensures the company is legitimate. Delta also uses suppliers that are known in the industry and used by the international elevators companies.

5. Delta is a Canadian Controller Private Corporation founded in 1967. It currently employees approx. 300 people across 5 branches in Southwestern Ontario. Delta services, installs, and maintains elevating devices with revenue limited to Southwestern Ontario. Delta's supply chain is primarily limited to North America.

In accordance with the requirements of the Act, and in particular section 11 thereof, I attest that I have reviewed the information contained in the report for the entity or entities listed above. Based on my knowledge, and having exercised reasonable diligence, I attest that the information in the report is true, accurate and complete in all material respects for the purposes of the Act, for the reporting year listed above.
