Activity

What steps has the entity taken to prevent and reduce the risk that forced labour or child labour is used at any step of the production of goods imported into Canada by the entity?

We are in the process of adding a requirement for all subtrades and suppliers to meet the criteria of Bill S-211 in our bid packages.

Entity's structure: Corporation

Entity's activities: Selling goods in Canada and importing into Canada goods produced outside Canada. At times, Kinetic must import goods that are required on a project, such as custom signage or fixtures. We are in the process of adding a requirement for all subtrades and suppliers to meet the criteria of Bill S-211 in our bid packages.

Policies

No policy is in place at this time; however we will be adding a requirement for all subtrades and suppliers to meet criteria of Bill S-211 in our bid packages.

Supply chains that carry risk

We have not started the process of identifying risks and therefore have not identified any forced labour or child labour risks in our activities and supply chains. We have not taken any measure to remediate, since we have not identified any forced labour or child labour in our activities and supply chains. We have not identified any loss of income to vulnerable families resulting from measures taken to eliminate the use of forced labour or child labour in our activities and supply chains.

Training

No formal training is provided at this time, once we have investigated the risk within our supply chains, we will look to find appropriate training for the positions affected.

At this time, we have no policies and procedures to assess its effectiveness in ensuring that forced labour and child labour are not being used in its activities and supply chains.
