

Michael Mazin

Mazin Furniture Industries is committed to protecting the working rights and safety of the people who produce the merchandise we sell.

We recognize that both forced labor (slave labor) and child labor is pervasive in many countries. Because of this MFI has long adopted the following:

Mazin Code of Sourcing Conduct

1. All current or prospective suppliers provide written guarantee that no forced, prison, or child labor will ever be used.
2. never tolerate or buy from any vendor that uses child or slave labor.
3. immediately report any prospective vendor it finds doing this.
4. All vendors keep detailed records of age and payment for inspection and audit purposes.

Mazin is committed to the complete and unequivocal abolishment of slave, prison, or child labor anywhere it is found.

This statement has been approved by the Board of Directors of Mazin Furniture Limited.
