

Fighting against forced labor and child labor in supply chain act compliance

Bill S-211
Annual report: 2024

Monarch Specialties inc., is a sole proprietorship based in Laval, Quebec. Its main activities are importing and distribution of furniture. All product is sourced from China, Malaysia, Taiwan, and India. Monarch Specialties has a sourcing office located in Malaysia. All factories that produce products for Monarch are evaluated prior to engaging in any business. The factories are visited and all documentation regarding the activities of the factory is requested.

The sourcing office determines if the factory is capable of supplying product and that they are adhering to all laws. All factories are visited on a regular basis during production of our product, to evaluate the quality as well as the maintained legitimate operations of each production facility.

In accordance with the requirements of the Act, and in particular section 11 thereof, I attest that I have reviewed the information contained in the report for the entity listed above. Based on my knowledge, and having exercised reasonable diligence, I attest that the information in the report is true, accurate and complete in all material respects for the purposes of the Act, for the reporting year listed above.
