

## PART 1: IDENTIFYING INFORMATION

### National Gallery of Canada

April 1, 2023, to March 31, 2024

### Original Report

The National Gallery of Canada (NGC) is a federal Crown corporation.

The NGC is headquartered in Ottawa, Ontario, Canada.

The sector in which the NGC operates in is arts, entertainment, and recreation.

## PART 2: REPORT CONTENTS

### 2.1 Information on the government institution's structure, activities and supply chains

The mandate of the National Gallery of Canada, as set out in the 1990 Museums Act is to develop, maintain and make known, throughout Canada and internationally, a national collection of works of art, historic and contemporary, with special but not exclusive reference to Canada; and to further knowledge, understanding and enjoyment of art in general among all Canadians.

#### \* Which of the following accurately describes the government institution's activities?

- Purchasing goods
  - in Canada
  - outside Canada

### 2.2 Information on the steps taken to prevent and reduce the risk that forced labour or child labour is used at any step of the production of goods produced, purchased or distributed by the government institution.

- Conducting an internal assessment of risks of forced labour and/or child labour in the organization's activities and supply chains
- Requiring suppliers to have in place policies and procedures for identifying and prohibiting the use of forced labour and/or child labour in their activities and supply chains.
- Monitoring suppliers
- Engaging with civil society groups, experts and other stakeholders on the issue of addressing forced labour and/or child labour
- Other Information not available for this reporting period

The NGC publicly posts opportunities for vendors and their sub-contractors to bid on potential contracts. Code of Conduct for Procurement applies: (<https://www.tpsgc-pwgsc.gc.ca/app-acq/cndt-cndct/cca-ccp-eng.html>).

Given the coming-into-force date of the *Supply Chains Act*, no further measures have been taken to remediate forced labour or child labour in the NGC's activities and supply chains, further action plans have not yet been developed and implemented.

### **2.3 Information on the policies and due diligence processes in relation to forced labour and child labour.**

The NGC does not currently have its own formal policies and due diligence processes in place related to forced labour and/or child labour.

### **2.4 Information on the parts of its activities and supply chains that carry a risk of forced labour or child labour being used and the steps taken to assess and manage that risk.**

**\* Has the government institution identified the parts of its activities and supply chains that carry a risk of forced labour or child labour being used?**

- The NGC has not started the process of identifying risks.

**\* Has the government institution identified forced labour or child labour risks in its activities and supply chains related to any of the following sectors and industries?**

- None of the above
- Not applicable

### **2.5 Information on any measures taken to remediate any forced labour or child labour.**

**\* Has the government institution taken any measures to remediate any forced labour or child labour in its activities and supply chains?**

- Not applicable, the NGC has not identified any forced labour or child labour in our activities and supply chains.

### **2.6 Information on any measures taken to remediate the loss of income to the most vulnerable families that results from any measure taken to eliminate the use of forced labour or child labour in the institution's activities and supply chains.**

**\* Has the government institution taken any measures to remediate the loss of income to the most vulnerable families that results from any measure taken to eliminate the use of forced or child labour in its activities and supply chains?**

- No, the NGC has not taken any remediation measures.
- Not applicable, the NGC has not identified any loss of income to vulnerable families resulting from measures taken to eliminate the use of forced labour or child labour in our activities and supply chains.

**2.7 Information on the training provided to employees on forced labour and child labour.**

**\* Does the government institution currently provide training to employees on forced labour and/or child labour? (Y/N)**

No. The NGC does not currently provide training to employees on forced labour and/or child labour.

**2.8 Information on how the government institution assesses its effectiveness in ensuring that forced labour and child labour are not being used in its activities and supply chains.**

**\* Does the government institution currently have policies and procedures in place to assess its effectiveness in ensuring that forced labour and child labour are not being used in its activities and supply chains? (Yes or No)**

No. The NGC does not currently have policies and procedures in place to assess the effectiveness of ensuring that forced and child labour are not being used in its activities and supply chains.
