Dear Mr. Reuss:

On behalf of the members of the Canadian Vehicle Manufacturers' Association and Global Automakers of Canada, we are writing to provide guidance for dealers to assist them with reporting requirements under Bill S-211, *An Act to enact the Fighting Against Forced Labour and Child Labour in Supply Chains Act*.

For dealers that are required to submit a report to the Minister of Public Safety by May 31, 2024, we suggest the following language be incorporated.

As a certified dealer, we operate under contracts for sales and service with the Canadian subsidiaries of the following Original Equipment Manufacturers (company names). For all vehicles, parts, equipment, and service covered by those agreements, we refer you to their submission.

In addition, we recommend that dealers consult with their legal advisors on their reports. Your support in disseminating this letter to your members would be greatly appreciated. Please contact us if you require any further information.

Sincerely,

Brian Kingston
