SECTION 2: ANNUAL REPORT

1. What steps has the entity taken in the previous financial year to prevent and reduce the risk that forced labour or child labour is used at any step of the production of goods in Canada or elsewhere by the entity or of goods imported into Canada by the entity?

Continued to collect information on worker recruitment and maintain internal controls to ensure that all workers are recruited voluntarily. We identified an initial cross-collaborative group to review existing internal controls and review its diligence in preventing and reducing risk that forced labour is used at any step of our production and supply chain.

2. Please provide additional information describing the steps taken (if applicable).

We established a cross-functional group to work on better understanding the requirement of the Act and scope, strengthen and update policies, and develop a clear framework to prevent forced and child labour across our operations and supply chain.

3. Which of the following accurately describes the entity's structure?

Corporation

4. Which of the following accurately describes the entity's activities? Select all that apply.

- Producing goods (including manufacturing, extracting, growing and processing)
 - in Canada
 - outside Canada
- Selling goods
 - in Canada
 - outside Canada
- Importing into Canada goods produced outside Canada.
- Controlling an entity engaged in producing, selling or distributing goods in Canada or outside Canada, or importing into Canada goods produced outside Canada.

5. Please provide additional information on the entity's structure, activities and supply chains.

We are a beverage and liquid food manufacturer providing contract manufacturing services for consumer-packaged goods. The company produces finished beverage and liquid food products for customers in the food and beverage industry.

We do not own or operate agricultural production facilities and does not directly employ workers in raw ingredient harvesting. The company's role in the supply chain is focused on manufacturing, quality assurance, packaging, and preparation of finished goods for distribution. YYF is a Beverage & Liquid Food Manufacturer providing services to fully manufacture a finished product for consumption. This includes:

- Formatting customer recipes to align with YYF equipment and processes
- Sourcing and ordering materials and ingredients
- Qualifying materials and ingredients

	<p style="text-align: center;">Forced Labour in Canadian Supply Chains Annual Report 2025</p>	Document Author: Borghetti, Camila

- Applying for certifications e.g. organic
- Ensuring processes are followed by certification protocol e.g. Kosher, Halal, Organic
- Performing quality tests to validate product safety
- Batch and release products for final manufacturing
- Qualifying product for food safety and consumption
- Preparing finished product for shipment
- Occasional and temporary warehousing

We maintain supplier qualification processes to ensure materials meet food safety, quality, and regulatory requirements before being approved for use in production.

We source ingredients, packaging materials, and production inputs from a network of suppliers and service providers located primarily in North America, with certain materials potentially sourced internationally. These materials may include ingredients, packaging components, and processing inputs required for beverage and liquid food manufacturing.

6. Does the entity currently have policies and due diligence processes in place related to forced labour and/or child labour? Yes; Modern Slavery and Human Trafficking Policy, Business Ethics Policy, Human Rights and Discrimination Policy, and the Employee Code of Conduct owned by the Human Resource Dept.

If yes, which of the following elements of the due diligence process has the entity implemented in relation to forced labour and/or child labour? Select all that apply.

- Embedding responsible business conduct into policies and management systems
- Identifying and assessing adverse impacts in operations, supply chains and business relationships
- Ceasing, preventing or mitigating adverse impacts
- Tracking implementation and results

7. Please provide additional information on the entity's policies and due diligence processes in relation to forced labour and child labour (if applicable).

We continue to adhere to and operate in alignment with its established policy.

8. Has the entity identified parts of its activities and supply chains that carry a risk of forced labour or child labour being used?

No, we have not started the process of identifying risks.

9. Has the entity identified forced labour or child labour risks in its activities and supply chains related to any of the following sectors and industries? Select all that apply.

No, None of the above

	<p style="text-align: center;">Forced Labour in Canadian Supply Chains Annual Report 2025</p>	Document Author: Borghetti, Camila
